QUEER TALKS & MEETINGS

After a long gap of around 8-9 Months we have started again Queer Talks & Meetings, where We know it takes a great deal to come to terms with oneself, to know that we need to understand and accept ourselves first to be able to express pride and belief in a crowd of staring and questioning eyes. Spoon-fed care doesn't teach this, but a guiding light could make a difference in self-learning and understanding. So this is a place where we come together and hear one another.
